In 2012 we will be continuing our association with Lord Mayor Treloar College.

Treloars is a remarkable, life-changing place where some of the most seriously physically disabled young people in the UK live and learn. One in three of them have little, or no, natural speech, 90% rely on wheelchairs to get around, and, tragically, one in five won't live beyond their early twenties. The passion and expertise of Treloars staff give their students the opportunity to live to the full and make a positive contribution. Every year Treloars needs to raise £1.5 million to give these young people the support they need. Today, Treloars is one of the largest non-maintained provisions of its kind in the UK and has had to constantly adapt to the changing needs of its students.

This year we will be fund-raising for a specific project at Treloars. Details will be included with your tickets.
